Spouse/Partner Jane

Occupation: fur rancher

I married a fabulous woman, who gave us 4 terrific children, which resulted in 14 fantastic grandchildren.

We, along with our son (4th generation fur rancher) are still very active on our 143 acre ranch near Silver Falls State Park, and currently are exporting most of our fur crops to the rapidly expanding luxury markets in China, Russia, South Korea and Eastern Europe.

No plans for retirement, for sure!
